

Afarand Scholarly Publishing Institute's Form of Publication Ethics Observance, Assignment the Rights of Publishing to HMS and Introduction of the Authors

Commitment to professional ethics and publication of the corresponding author

We, the authors of the article entitled "....." with code, approve to send this article to HMS and declare that this article is not under revision in any other scholarly journals at the time of submission to HMS and will not be sent to any other scholarly journal during the revision at HMS until the definite answer of HMS about it. We choose Mr/Mrs (from the authors) as the connector author and delegate all the responsibility of the article to him/her regarding to follow the relation with HMS.

Assignment of the publishing rights

We, the authors, with full liberty and awareness, assign all the rights of publishing this article (not of the content) to HMS and the journal is free completely to publish this article in any format (print, online, CD, indexing in databases and etc.) and use the potential financial benefits of publication. This right is just negated by rejection of the article in HMS or withdrawing the authors from publishing it *before the final acceptance*.

Introducing the authors, their order of appearance and their contribution

We, the authors (names and orders of appearance are as the below table), by awareness of the non-changeability of the names, orders of appearance and information of authors (no authors can be added or removed at all) declare that we all have contributed in producing this article (doing the researches or writing the article) and no names have been added without having an effective role to the article. From the following authors, the row No. is introduced as the correspondent author whose name will come as this on the published article. Corresponding author Email:

Order	Name ¹	Last Degree ²	Affiliation ³	Contribution ⁴	Signature ⁵
1					
2					
3					
4					
5					
6					

¹The name of each person as a whole and as it should be written in articles; ²Such as PhD, MSc, MD, etc. ³Affiliation for each author must be accurately as "the name of the group or department, the name of the school or research center, university or research institute, city name, country name". Only one affiliation is accepted for each person, unless two or more of the place is owned by the same university or research institute. ⁴e.g., researchers, data collectors, author of the introduction, the author of discussion, and etc;

⁵Each author MUST sign his/her name row.
